July 2005

Dear Community Partner:

As a local merchant in the Blaine High School community, we invite you to support the Marching Bengals in our 5<sup>th</sup> Annual Marching Band Field Show competition, "Sounds of Pride," on Sunday, September 11<sup>th</sup>, 2005 at Blaine High School.

Purchasing a full, half, quarter-page or business card size advertisement in our program shows the community you care. You may design your own ad or simply supply a business card and we'll put one together for you. Some merchants even include a coupon in their design to attract the thousands of attending parents, band members, friends and families to their establishment.

We'll give you a thank-you in the program and you will receive a free listing on our web site. For a small fee, you'll also have the option of including your web link on our web site. Our web address is [www.marchingbengals.org](http://www.marchingbengals.org).

Just complete the attached order form and return it to Debbie Norskog by August 15<sup>th</sup> with your check made out to Blaine Band Boosters. Her mailing address is listed below.

If you are unable to purchase an advertisement at this time, please consider making a donation of goods or services instead. You'll also receive a thank-you in the program and in our web site. Your donation will be put to good use as a raffle item, in the gift baskets we make for each band, or as a food item at the show. Please contact Debbie Norskog at the numbers listed below and we'll make arrangements to pick up your donation.

Businesses like yours keep our community strong. Thank you for helping make our field show a *RRRROARING* success!

With pride and gratitude,  
The Blaine High School Band Boosters

Debbie Norskog, Co-Chairperson
