

# Blaine Marching Bengals 09-10

5-20-09

## Quote Of The Day:

“if you can walk you can dance. if you can talk you can sing.”  
-zimbabwe proverb

The Blaine Marching Bengals have started off their season a tad different this year. The 2009 Summer consists primarily of competitive street marching. We are off to a great start so far. Shawn Kolles and Nick Bunio instruct these eager group of musicians with assistance from our 09-10

drum majors: Peter Thompson and Aleida Porter in preparation to march in Florida, Fall of '09. We have already hit the ground running with only four practices left until our FIRST parade! Many of us are already feeling the burn. Great job to all of our new rookies & incoming Freshmen! -K.Rabago

## Florida Fact:

The name Florida was given by Ponce de Leon, which means “full of flowers” in 1513.
